10th India-EU Business Summit

1300 – 1400 hrs: Sectoral Parallel Sessions

Parallel Session 1: Infrastructure – (Health / urban /logistics & transportation / power / water & waste management / ICT etc)

Hall : Sovereign 1

The opportunities for collaboration with EU in these sector are manifold. First, EU could encourage more participation of european organisations in these sectors . EU is India’s largest trading partner and trade has grown impressively over the years. With regard to investment European investment into India is only 0.25 % of what they invest outside Europe in the last year.

There is huge potential for development of trade and investement between our countries which should be explored specially in the various areas of Infrastructure development. This session will examine the India-EU collaboration in these sectors to help create partnerships and a win-win outcome for both.
